Hi

Thanks for getting in touch re a PDF of the article. The way we work this is through linking back to our site for the article. Just embed this link:

<http://www.shutterbug.com/content/wedding-photography-à-la-andy-and-brian-marcus-different-styles-lead-equally-inspired-result>

If you wish to reference the link you can reprint the first paragraph as a lead and then just supply the link. Please also note the author (Jack Neubart) and Shutterbug in your lead in.

If you have any questions let me and/or Mary know.

All the best
